

Monday - 11 April 1949

1. Miss Clark (Sen. Long's office) phoned regarding a postcard received from the U.S. Zone of Germany. She is to send us letter quoting the postcard and she will answer same stating information had been forwarded to appropriate agency of the Government. Mr. P. also informed her that if anything were done here, in all probability she would not hear about it.

STATINTL 2. Mrs. [] OSI, conferred on copyright problems arising out of the daily publication by OSI of a bulletin on world epidemic conditions. She was advised that no copyright problems arose from this material, but that the publication should be stamped "For Official Use only".

3. Miss Byrne (Sen. Long) phoned for information on CIA for school children studying Government. WLP told her of P.L. 253 and the hearings.

4. H.R. 2663 was again passed over in the Senate on the objection of Sen. Langer.
